

Saddleback Church's Counseling Information and Policy

To anyone requesting approved Saddleback Church counselors:

The Saddleback Church counselor list gets updated quarterly and changes are made frequently. Right now the counseling team has asked the MOTE team to direct people interested in the referral list to the **Saddleback Church (Lake Forest) counseling line number – (949) 609-8387.**

Plus they also receive info from those on the list that are no longer taking new counselees, so we can direct them specifically to counselors who do have openings. They are also adding, more counselors as we can vet them at all of our Regional Campuses in California.

Thank you,

Pastor / Pastoral Care Team
