Celebrate Recovery 12 Step Program

What is Celebrate Recovery? Celebrate Recovery is a Christ-centered, 12 step recovery program for anyone struggling with hurt, pain or addiction of any kind. Celebrate Recovery is a safe place to find community and freedom from the issues that are controlling our life.

History of Celebrate Recovery Celebrate Recovery started in 1991 at Saddleback Church in Lake Forest, California. At that time, the church was meeting at a high school gymnasium. John Baker wrote Pastor Rick Warren the “now-famous, concise, 13-page, single-spaced” letter outlining the vision God had given John for Celebrate Recovery. After reading John’s letter, Pastor Rick said, “Great, John — go do it!” The first night 43 people attended, and Celebrate Recovery was born. Beginning with only four Open Share Groups — Men’s and Women’s Chemical Dependency and Men’s and Women’s Co-dependency — the ministry has grown to over 14 groups today. Over 27,000 people have gone through the program at Saddleback Church. Many of them are now serving in Celebrate Recovery and the Church. Celebrate Recovery is the number one

Celebrate Recovery 12 Step Program (Continued):

outreach ministry at Saddleback Church, with over 70 percent of its members now coming from outside the church.

The first 10 years were the birth stage of Celebrate Recovery, and now God is calling us to take it to the world. There are now 35,000 [Celebrate Recovery churches](#) around the world, and that number continues to grow. We are part of a movement that is bringing the healing power of Jesus Christ to the hurting and broken through working Celebrate Recovery's [Step Studies](#), [The Journey Begins](#), and [The Journey Continues](#). To date, over 5 million individuals have completed a Step Study.

In addition, Celebrate Recovery is not just growing in churches, but in recovery houses, rescue missions, universities, and prisons around the world. New Mexico was the first state to adopt Celebrate Recovery into its state prison system and now has Celebrate Recovery pods in all its state prisons. In August 2004, **Celebrate Recovery was announced as California's state-approved substance abuse program for prisons.** This is an exciting and growing outreach opportunity for every Celebrate Recovery.

We are a part of something much larger than one church's Celebrate Recovery. We are part of a movement that God is blessing.

Every Man Ministries: The mission of Every Man Ministries is to lead a church-based **"movement of God's men who are empowered to lead others on a meaningful journey into personal character and leadership, ultimately having a positive impact on generations of women, children and families."**

The organization accomplishes this through a number of practical resources on a wide variety of subjects, including pornography, lust, marriage, leadership, temptation, sex, relationship, fantasy, faith, family and fatherhood. These include:

- Events, such as Ignite and Father Factor conferences, featuring Luck as well as prominent pastors and Christian leaders including Steve Arterburn, Rick Warren, Steven Furtick and Craig Groeschel;
- A website with a wealth of materials including videos, blogs and podcasts as well as access to curriculum for the men to use in weekly meetings at their local church;
- Books, including Luck's blueprint for church-based men's ministry, "Sleeping Giant: No Movement of God without Men of God," and his forthcoming title, "Dangerous Good," releasing July 3 from NavPress; and
- "The Every Man Show" on KKLA radio in Los Angeles.

Many prominent churches use Every Man Ministries' resources, including Saddleback Church in Southern California, Gateway Church in the Dallas area and Brooklyn Tabernacle in New York.

Every Man Ministries' goal is to help men have healthier marriages, be stronger fathers and have better leadership qualities. For more information visit everymanministries.com.
